#10

A 10x10 grid with thick black lines forming a jigsaw shape. The grid is divided into four 5x5 quadrants by a central 2x2 block of empty cells. Numbers are placed in specific cells: (1,1)=1, (2,3)=2, (3,2)=4, (3,4)=4, (4,7)=2, (4,8)=3, (5,2)=3, (6,1)=1, (6,6)=1, (7,2)=4, (8,2)=3, (9,8)=2. The grid is intended to be filled with three limes per row, column, and jigsaw shape.
